Here's how to format the answer <https://youtu.be/H1j1Kq10IEQ>

Some tips.

- Either a YT leader or one of the young people can pose the question.
- Keep the recording as 'clean' as possible. Leave 3 or 4 seconds at the start before you start speaking and the end after you finish.
- Record the question and the answer as two separate clips.
- On the Question clip, state your first name, YT and please ask twice and make sure to speak slowly and clearly.
- When you are happy with the results label the clips correctly, so they are easily identified e.g. *Wicklow Youth Theatre Quiz*'
- Send them via *Wetransfer* only to alan@youththeatre.ie
